The Engage with[®] Older Adults skills training programs focus on developing the skills necessary to work with, care for and/or support older adults during all phases of the aging process. The Older Adults module begins with “**Core Skills: What everyone needs to know.**” This critical training is being offered by Mental Health Association of Maryland, thanks to generous grant funding from the Baltimore County Government Reform Systems Initiative.

Participation in this grant funded training is limited to employees of long-term care centers operating in Baltimore County, Maryland. This grant offers the Core Skills Training free of charge, as well as, backfill pay to ensure that all staff may participate on paid time.
